

MWRA EMPLOYEES' RETIREMENT SYSTEM

Since July 1, 1985

To All MWRA Employees:

We wanted to inform you of an email (see screen shot below) which was circulated to members of another MA Retirement System, as well as to employees of other large public entities across the country. While the company behind the email does exist, they are not in any way affiliated with any MA public entity, and were in fact sued by the state of Colorado for misrepresentation. The entity personalized the emails, taking advantage of information which is publicly available due to transparency requirements, in an effort to make the emails appear legitimate. We have requested that IT block any emails from this site, but if you receive one, ***we advise you not to click on the link, not to engage with this entity in any way, and immediately delete the email.***

Thank you.

MWRA Employees' Retirement Board

PSB Annual Pension Review

Title:

Department:

It's that time of the year again to schedule a one-on-one consultation regarding your specific state, federal, and individual retirement benefit questions.

At the meeting you'll learn what you can expect from MTRS, or PERAC when you retire, and how much longer you will need to work to maximize those benefits. You'll also receive advice on the best ways to utilize your 403(b) and 457(b) options with your MTRS, or PERAC and/or Social Security benefits, as well as get answers to general retirement questions.

Appointments are held over phone or by virtual meeting. To secure your spot, use the link below.
