

Responses to Securities Litigation RFP Questions and Requests for Clarification

1. Section A, Question 10 states, "Does your firm represent the board of trustees of any other pension plan? If so, list the full name, address and telephone number of each of the pension plan and telephone number of the Executive Director and General Counsel."

- Does this question mean, does the law firm represent the plan? **YES**

- Does the term 'represent' include the offering of portfolio monitoring services? **YES**

2. Section C states, "Identify all public sector clients who have terminated their working relationship with you in the past three years and a brief statement of your understanding of their reasons for doing so. Provide each such client's in-house counsel's (or, if none, CEO's) name, address and telephone number."

- Does this question mean termination of portfolio monitoring services? **YES**

3. On the cover page, the RFP states that MWRAERS is seeking service providers to " ... [assist (sic) in identifying possible litigation opportunities and to assist in pursuing recovery of losses.]" Does this service include representing MWRAERS in securities litigation? Or do the requested services pertain only to case evaluation? **BOTH**

4. On page 1, the RFP requires that the lead attorneys must have at least five (5) years of qualified legal experience in multiple areas. Does the RFP require experience in each area independently, or each area as they relate to securities litigation. **SECURITIES LITIGATION**

5. For question 10, is the RFP asking for each Board of Trustees that has retained the firm, or only those currently represented in ongoing securities litigation cases? **EACH BOARD of TRUSTEES**

6. For question 15, is it limited to proceedings that our firm represented the fund? Or does it include all litigation proceedings (in any area) that a fund-client was involved with? **SECURITIES LITIGATION PROCEEDINGS**
